First document affected: EP 0023858; first entry in PRS on 3 September 1986

Field meaning
yyymmdd
Date of issue of the European Patent Bulletin in which the notice of deletion is published.

Code meaning
References to data erroneously published in entries of sections II.1 to II.11 of the European Patent Bulletin and that are to be deleted appear in section II.12 Changes. This points exclusively to deletions of data published in the bulletin due to printing or encoding errors, not to corrections or alterations. In the bulletin the message "The last entry related to this publication is deleted" is printed alongside the relevant INID code, if any, or under the relevant heading.

This code refers to the deletion of the last entry in the bulletin related to the rectification of the publication date of a patent specification, meaning that the rectification published is not correct.
