code meaning
A European patent designating Sweden will have the same effect as a national Swedish
patent provided that a Swedish translation of the patent is filed with the Swedish Patent
Office within 3 months from the publication of the mention of the grant in the European
Patent Bulletin and the printing fees for the translation are paid within the same period.
If an annual fee for a patent is not paid pursuant to the provisions of Sections 40, 41
and 42 (Swedish patents act), the patent shall lapse as of the beginning of the fee year
for which the fee has not been paid.
