field meaning

yymdd

Date of issue of the Italian Patent Bulletin in which the notice is published.

code meaning

The protection in Italy conferred by a European patent application designating Italy starts as from the day that the European patent application has been made available to the public, provided that an Italian translation of the claims has been filed with the Italian Patent and Trademark Office.
If the scope of the claims of a European patent application in the Italian translation thereof is more restricted than that in the language of the proceedings before the EPO, the Italian translation shall be decisive.
