II.13
Rectifications
Patent specifications which have been subject
to rectification in respect of Title page, partial
reprint or complete reprint during the six week
before immediately preceding the publication of
this Bulletin.
The date following INID-code 45 is the
publication date for the defective specification.

legal basis
Art. 98, R. 53 EPC

data in PRS for
All entries in the European Patent Bulletin since number 1/78 (20.12.78)
first document affected EP 0061414; first entry in PRS on 6 October 1993

field meaning
ynnndd
Date of issue of the European Patent Bulletin in which the notice is published.
ynnndd'
Date on which the defective specification was published.

code meaning
This code refers to the deletion of the last entry in the bulletin concerning the
publication of a rectification (reprint) of the patent specification, meaning that the
advertised reprint was never published.
