published in the European Patent Bulletin under section

Art. 93, R. 48 EPC

data in PRS for All entries in the European Patent Bulletin since number 1/78 (20.12.78)
first document affected EP 0518796; first entry in PRS on 16 December 1992

field meaning yymmdd

Date of issue of the European Patent Bulletin in which the publication of the application has been notified.

code meaning Applications which are withdrawn after termination of the technical preparations for publication, i.e. 6 weeks or less before the 18 months term from the filing date or the priority date, will if technically possible, not be published. However these applications might still be advertised in the bulletin as being published and have been allocated a publication number.

With this code INPADOC indicates that although the application has been announced in the European Patent Bulletin under Section I.1 have in fact not been published.
